

# Scholarship Application

*The Great Lakes Electric Meter School is pleased to offer you this opportunity for financial assistance in pursuing your personal goals in your higher education and career, for the benefit of yourself and the Electric Utility Industry in general.*

## General Information and Requirements for the Applicant

1. Applicants must pursue a degree in electronics, computer technologies, power technologies, or related field and intend to pursue a career in the electric utility industry. Future career endeavors may include, but are not limited to, positions within electric utilities, suppliers/vendors/manufacturers, and industry consultants.
2. Applicants must reside within the US; Preference will be applied to applicants from the following states: MI, IN, OH, WI, IA, or IL.
3. It is the GLEMS committees' intentions to award a single scholarship of \$1,500. However, we reserve the right to award multiple, smaller scholarships and allocate the total amongst multiple qualified candidates.
4. Applications are due by May 1<sup>st</sup>, and the selected awardees will be announced and recognized at the annual GLEMS banquet, during each year's meter school (Attendance at the banquet is preferred, but not mandatory.).
5. Applications shall be submitted via email to the current GLEMS President.
6. Applicants must include a complete transcript of their high school performance. For applicants who have completed any post-secondary education, transcripts for those terms will be required, as well.
7. Applicants must include two letters of recommendation from applicable professional, business, or educational references.
8. Applicants must include a typed, written essay, detailing their background and motivation for seeking high education within the electric metering industry.
9. Applicants must have an accumulated GPA of 2.5 or higher.
